

FACILITY RENTAL & RING RENTAL:

Our facility, **"The APW Garage"** is available for **rental**, as is our **18 x 18 wrestling ring**.

Naturally, **we rent our Wrestling Ring** and our **entire Facility** around our schedule of Gym Wars, a live pro wrestling event usually held monthly, and our Pro Wrestling Training sessions, which take place Monday through Thursday evenings.

For an additional charge, we can make the **sound, special lighting, ring lights, spotlights, strobe lights, colored lights and fog machines available**. If you really want to go big-time, ask us about the rental fee for the **projector and large big screen** that hangs above the ring entrance.

Recently, 2 different film companies have come to the APW GARAGE and rented the entire facility including: the lights, sound and video for a film they were shooting and they thought it was the **perfect place to shoot their film**. Here is what they had to say:

TESTIMONIAL

"For our film Leg Drop, we could not have asked for a more ideal group of people to work with than the crew at All Pro Wrestling. The staff was accommodating and openly communicative; the fans were receptive and supportive of our project, and the facility was as perfect as imagined in our script. Roland, Shane and the rest of the APW crew went above and beyond expectation to help make our film the best it could be." Many thanks again guys!

Justin Lamb
"Leg Drop"

Our facility is very production user friendly. The walls of the arena all have black curtains, which gives it the special studio effect and produces very good production values. The facility has two bathrooms and two locker rooms, one for females and one for males, and has a weight training room as well.

We do have special rates for longer time periods depending on what your needs are. The deposit is 50% in advance to reserve the facility and the remaining 50% is due the day of the facility rental.

Would you like to get in our wrestling ring and see what you know? Ring rentals are available for \$75 per hour per person with Group Rates being available.

For those wanting more information on the Ring Rental and/or Facility Rental, please drop us an e-mail at roland@allprowrestling.com.
